Pastor Chad Branch, Victory Baptist Church
I have known this couple since 2006 when our church began supporting them as missionaries to the Ukraine.

Bro. Curtis was a successful church-planting missionary during the time they were in the Ukraine. Since 2014, he has faithfully served as the pastor of our church while my family and I were missionaries in South Africa.

The Curtises have a great heart for souls and a burning passion for the work that God has called them to. It is a joy to recommend them to you as missionaries to Malawi, and I ask that you prayerfully consider taking them on for support so they can get to the field as quickly as possible.

Evangelist Byron Foxx

"I've known Brother Eric Curtis and his beloved family for several years. They are dedicated Christians and earnest in their desire to spread the Gospel far and wide! I heartily recommend them!"

Eric Bohman BIMI Africa Field Director

One of the first things that impressed me about Eric and Jessica was their family. The children have a definite heart for the Lord. The family works as a team, and I believe God will continue to use them greatly, as He already has! This family will be an asset to your missions program and an encouragement to your church.

The *Curtis Family* Missionaries to Malawi, Africa

Evangelizing, Training Nationals, Planting Churches

"...immediately we endeavoured to go...assuredly gathering that the Lord had called us for to preach the gospel unto them." Acts 16:10

About Us

Eric grew up in a Christian home and was saved at the age of 5. He surrendered to the Lord to preach when he was 19 years old.

Jessica grew up in a pastor's family and trusted the Lord as her Savior when she was 5. She surrendered to missions or full-time service at a youth meeting when she was 13 years old.

We were married in 2002. As a young married couple, we were serving in our local church when the Lord directed us to Ukraine as missionaries. After 7 years of ministry in Ukraine, it seemed that the Lord was blessing. Then war broke out in 2014, and we came back to the States for an emergency furlough. He wouldn't give us peace to return to Ukraine, but instead led us to pastor Victory Baptist Church. The Lord allowed us to pastor there for almost 7 years.

We believe through almost 20 years of ministry experience, the Lord has been preparing us for this specific ministry.

Our Field

Following our 2021 mission conference, the Lord made it clear that He is calling us back to the mission field...this time to the continent of Africa, specifically to the country of Malawi.

The country of Malawi is a small land-locked country in the southeastern part of the African continent. It has been blessed to have some great Bible preaching missionaries in years past, men like David Livingstone. Yet now, it lies mostly in spiritual darkness with very little true, Bible preaching. With almost half the population being under the age of 18, this is a younger generation that has never heard a clear presentation of the Gospel.

Size: About the size of Pennsylvania
Population: 20 Million People

There are many unreached villages in Malawi. We have heard reports of people in the villages begging for someone to tell them about Jesus.

God has placed in our hearts a desire to bring the Gospel to them. We believe right now there is a great door of opportunity opened for us.

Our Vision

Evangelize the lost

Train nationals and equip them to minister in their own communities

Plant churches in unreached areas
