MY TESTIMONY

As I look back upon my life, I see God's gracious hand upon me as He has led me through experiences that have drawn me closer to Him. The very first and most important decision I made was Salvation. I was blessed to be able to grow up in a Pastor's home. My life was filled with Bible preaching, singing, and teaching not only at church, but at home as well. Although I was a "good kid" I realized that I was not "good enough". At the age of 13, on Easter Sunday April 24, 2011 I truly realized I was a sinner and in need of a Savior and accepted Jesus as my Savior. Shortly after getting saved, I was baptized and gave my life to God to do whatever he wanted me to do.

Dear Pastor,

I would like to recommend Autumn Larson to you as a missionary helper to the country of Kenya. Autumn has been a faithful worker, teacher and helper here at Moore Baptist Church and has a call on her life to serve as a missionary. Autumn has taught Christian School, Sunday School, VBS, and helped in any area she has been asked to serve. Autumn is a faithful soul-winner, helper, and worker with a great spirit and a servant's heart for children and ladies. Autumn will be sent out from Moore Baptist Church and she is solid on doctrine and standards.

As her father, I can tell you that Autumn has been a wonderful blessing in our home and family, and has demonstrated an obvious call of God on her life, and is whole-heartedly dedicated to that task. There is a great need and an open door in Kenya working with and training children and ladies under the ministry of Missionary Luke Shelby. Autumn will be a great asset of help to the mission field. Please consider supporting her and I believe your giving will be well used and much fruit will come from it, as many souls are brought to the Savior.

To Whom It May Concern,

It is my absolute pleasure to recommend Autumn Larson for the work of worldwide evangelism as she seeks to serve the Lord in Kenya. I do not doubt that Autumn will fully and consistently give herself to what God has called her to do. She will be a help and an asset to whomever she attaches herself to the Lord and His work. Ms. Autumn Larson served at the NorthSide Baptist Church and Academy for two years. God significantly used her during this time. Autumn was not only faithful to the task of full-time teaching in our academy but also gave herself to other ministries of the church. She participated in anything she was asked to do, often excelling beyond the requirements by pursuing excellence.

From the very beginning, Autumn began serving in the bus ministry, where she greatly impacted our community, and that impact continues today. She invested herself not only in the work but in the lives of people. God used her to extend the ministry of NorthSide Baptist Church and Academy.

I believe Autumn Larson is worthy of your financial and prayer support. Her compassion for the lost was evidenced by her witness. Your investment in her will reap eternal dividends.

GOD'S CALL

At the age of 16, while attending a missions conference, God so clearly called me to be a missionary and I surrendered my life to that call. Once I graduated high school, I attended a Bible College in Kansas where I received Biblical and practical training for the ministry. I received my Bachelor's Degree in Elementary Education and went on to use that degree to teach in a Christian school for 2 years in Texas. It was during that time of great preparation and experience that God nudged me to take the next step of faith and go to the mission field. Upon finishing the school year, I took a survey trip to 4 different African countries where God so clearly confirmed Kenya as the place where He wants me. I am so thankful for what GOD has done in my life and I am looking forward to the future of what He will continue to do.
