*ARM Missionaries to the
U.S. Military Worldwide*

Dear Pastor,

It is a real joy for me to recommend Dr. Ed Navato and his family to you for support as missionaries to the Military.

Brother Navato is a man of God with a love and desire to reach military families for Jesus Christ. His background in the military is a great asset to his ministry.

I have never met a man with more concern for the lost than Brother Ed Navato. I thank God that he is willing to wholly follow the leadership of the Lord and serve in Military Missions.

Brother Navato is working under the guidance of Baptist International Missions located in Harrison, Tennessee. Anything that you can do to assist him in reaching the U.S. Military and their families with the gospel and training them to serve in the local church will have God's blessings upon it.

Because of Calvary,

Sammy & Joan
