

The Grangers

Missionaries
to MEXICO

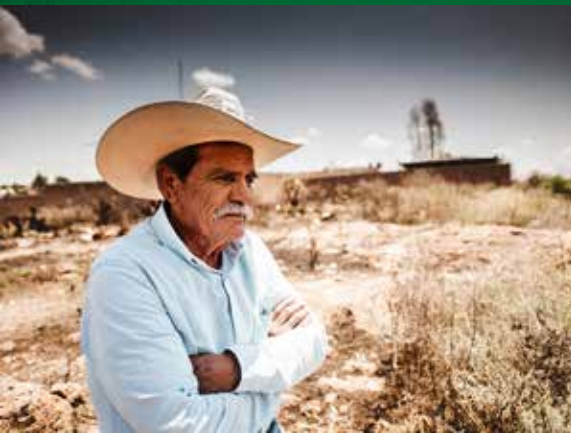

Dear Pastor,

Thank you for taking your time to read this information.

I would be thrilled to answer any questions and to have the opportunity to present my ministry to your church. Trent Granger

The Lord's Directing

With the guiding words from the Bible reminding us that 'how shall they hear without a preacher,' our deepest passion lies in reaching the people of Mexico. Our mission revolves around establishing indigenous churches and nurturing new believers through discipleship. Having dedicated six years to Mexico, planting two churches, our path was redirected briefly due to our daughter's health. With her now granted a clean bill of health, we've eagerly responded to the Lord's call to return and carry on His mission. The anticipation is palpable as we look forward to witnessing the Lord's work through us as we reach Mexico one SOUL at a time.

Our Goals

Soul-winning—Reaching out to the lost with the gospel is about spreading a message of hope and love to those who are lost. It's a chance to offer a life giving message that can bring light to darkness to those in need.

Church planting—Church planting is more than establishing a physical space; it's about cultivating a community where faith thrives and lives are transformed. It's sowing the seeds of faith, nurturing growth, and watching a vibrant community grow in the Grace of our Lord Jesus Christ.

Discipleship—We pour our hearts into mentoring and guiding new believers, nurturing their faith through personalized discipleship. Our aim is to walk alongside them, offering support and wisdom as they grow in their spiritual journey.
