## Missionaries to Malawi, Africa July 2022

Dear Praying Friends,  
**Malawi**

*"For a great door and effectual is opened unto me..." 1 Corinthians 16:9* This verse comes to my mind when I think about the door the Lord has opened for us in Malawi. There are so many opportunities for ministry, more than one person could possibly do! I was able to spend three weeks in the country, which gave me an opportunity to meet Nelson & Shadrach, the nationals we will be working with, and also see the ministry. We passed out tracts in a few villages and the tracts were taken quicker than I could pass them out! Often we had people asking us to come talk with them. As we began sharing the Gospel, people would gather to listen. After we finished, another group would be begging us to come talk with them. Many called upon the Lord to save them. We were well received in a village called Phokera each time we went out. Our desire is to be able to help plant a church in this village when we go back this fall. We went twice to a village called Sorgin. The second time we planned on going to the other side of the village, but a lady named Esther sat by the wayside and called out to us. "Please! Come talk with me first!" When we shared the Gospel, she excitedly called on Christ to save her and said, "I knew when I saw the church van that someone might have something good to tell me from God - but I didn't know it would be THIS good!" God was speaking to her even as we drove up!

Not only did this trip allow me to see the ministry and people, but also prepare the house for our family by getting things like beds ready and a larger water tank for our family.

### Family & Deputation

Thank you for your prayers regarding an unspoken health concern for our family. It seems the Lord has worked that out. Pray for us as we finish packing and start traveling again. Lord willing, we will leave for Malawi the end of November.
