## Missionaries to Malawi, Africa May 2022

Dear Praying Friends,

### Deputation

Our travels the last two months have brought us to six states - VA, NC, SC, WV, TN, and Indiana. The fellowship at each church was a blessing and we pray we were as much an encouragement to them as they were to us! While at some of the churches, we had the opportunity to go out door knocking with them. We pray the Lord blesses the Gospel that was given out!

Conferences have begun to slow down giving us a couple days between meetings to rest and get caught up in school. Our schedule is pretty full until we leave for the field and we praise the Lord for giving us so many excellent meetings! Pray that He continues to bring in the needed support!

### Malawi

The countdown until we leave has begun. Our projected departure is the end of November. There is a lot to do to prepare for this! In July and August we will be working on cleaning out the parsonage and packing between meetings. I will be flying to Malawi on June 29th-July 18th to meet with some of the national pastors we will be working with, see the place where we will be ministering, and take over some of our things. In August, we have our departure interview with BIML scheduled. Pray as we work to finalize all the details to leave. Also please pray for my upcoming trip that the Lord will bless it!

### Family

Many have asked for a CD of the family singing, and we are excited to share that the Lord has allowed us to record one! It should be available in a couple months. When we asked the kids what they thought of the experience, they said it was worth it, but a lot of work. Mercy said, "It's neat, but not relaxing!" On the way home, we surprised the kids by stopping for a lunch break at Fort Boonesborough in KY. They have always loved Daniel Boone and really enjoyed it!

Overall everyone is doing well, but we do have an unspoken health concern. We would appreciate your prayers concerning a few upcoming doctor's visits. We know God already knows all about it and had it planned from the beginning!
