## Missionaries to Malawi, Africa

September 2021

Dear Praying Friends,

### Deputation

It has been a busy couple of months! The Lord has been blessing our travels and meetings. We've only had a few meetings canceled due to Covid. In one of our meetings, we met a lady that I have witnessed to and repeatedly encouraged to get back in church. She is now regularly attending one of the Baptist churches in town! We cannot always see the results of our efforts and prayers, but the Lord is working in hearts as we faithfully serve Him and witness to those He puts us in contact with.

### Family

We are now in the New England area visiting churches. Our youngest has not really seen tolls. She got very excited as we threw the coins in the first toll booth. A little ways down the road she exclaimed, "I SO disappointed! I so disappointed!" We asked her why, and she replied, "Cause we didn't go on anything!" She was hoping for a bridge, tunnel, or something.

The constant travel is something to get adjusted to and can be exhausting, but they are good troopers. They are adjusting well and enjoying getting to meet new friends. Pray for them, and Jessica, as they homeschool on the go.

### Preparing the Way

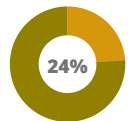

A few weeks ago I found out about a missionary who has been praying 4 years for someone to take over the ministry there as he is needing to leave due to health and age. He has established a base with a home, a church building, dorms for a Bible college, and has a few trusted nationals that would work with us to evangelize the lost, train nationals, and to plant churches in unreached villages. Pray with us about this. We are just amazed at how God is working! God is preparing the way for us, and we are excited to be a small part of His plan.
