BIMI HISTORY: Baptist International Missions is a faith mission agency started in 1960 by approximately 100 pastors. Since that time God has blessed tremendously, and today the Mission serves over 7,000 local churches while ministering to 900 missionaries. BIMI is governed by a group of more than 20 independent Baptist pastors who make up our Board of Trustees.

BIMI PURPOSE STATEMENT: Understanding the importance of the Great Commission, our purpose is to assist independent Baptist churches in the establishment of like churches around the world. BIMI exists to serve the local church as it sends missionaries into God's harvest field. As the church's delegated servant, we provide accountability, training, and assistance to our missionaries as they carry out their pre-field, on-field, and furlough ministries. It is our desire to glorify God through the pursuit of excellence in every area of this worldwide ministry of faith.

David H. Snyder
President/General Director

Please consider this brochure your personal invitation to our 2018 *Action Conference for World Evangelization*. We have a good schedule of preaching, workshops, food, and fellowship.

We will begin on Monday, March 26, with a Missions Banquet Fellowship at 5:00 P.M. Our conference will conclude with lunch on Tuesday, March 27. During our time together, there will be interactive workshops where we can share information and thoughts about missions. I am looking forward to the ideas that will be gained during our times of discussion. My desire is for BIMI to be the best servant it can be for our missionaries and their supporting churches. As we meet together, I trust that God will use our conference as a time when iron sharpens iron.

The 2018 theme for BIMI is *Deepening Roots, Increasing Fruits*. We will be incorporating that theme throughout our sessions. Obviously, we must deepen our roots in order to *increase the fruits of our righteousness* (2 Corinthians 9:10). Doing so not only allows us to increase the fruits of our righteousness but also helps us to reap fruit as soul winners. My prayer is that because of this conference, we will all deepen our roots and increase our fruits—particularly in our missions outreach.

Thank you for taking the time to consider coming to this year's *Action Conference*. It is our prayer that we will be a blessing to each one who is able to join with us. May the LORD richly bless you!

In Christ,

David H. Snyder

Conference Speaker

Pastor David Pittman has been in the ministry for over 45 years. He was a youth pastor for 15 years and is currently serving as pastor of Temple Baptist Church in Herndon, Virginia, where he has been for 29 years. Due to his vision, work ethic, and love for God, the ministry of Temple Baptist Church has grown tremendously. Many families from Temple Baptist Church have surrendered for the mission field under his godly leadership.

Pastor Pittman's beloved wife of 42 years, Susan, entered Heaven's glory in April 2017. They have one son, Jeremy. Jeremy Pittman, his wife, Mandy, and three children, Micah, Micayla, and Malachi recently returned to the United States for medical reasons after serving as missionaries in Uganda for 14 years.
