Dear Praying Friends,

“That truck is going to hit that other truck!” Angela was right; the white delivery truck slammed into the back of the first truck during a sudden traffic slowdown. Immediately after they collided, a Ford pick-up behind the accident tried to swerve out of the way, but crashed into the back of the delivery truck! This all happened in the lane next to us while we traveled down a Virginia interstate. Praise the Lord, we were able to drive on without being hit as well. Your prayers for our safety were heard! Thank you!

We had several good meetings these last two months. May was our last full month in the upper Midwest. While in Hibbing, Minnesota, a church member took us to see the world’s largest open pit iron mine, which uses massive dump trucks with tires that are probably 10 feet high! We began June with a full week of second year Candidate School at BIMi in Chattanooga. What a joy it was to see the missionary candidates from last year and to share deputation experiences! The lectures reminded us of our goal: bringing the Gospel to Estonia.

After Candidate School, we traveled east to Grace Baptist Church of Louisburg, North Carolina, for a week-long conference. This was no ordinary conference, however. This was a missions conference/summer camp. We spent every day with about 60 children, playing Wiffle ball, going to nursing homes, swimming, and hearing a lot about world missions! That week, I even had the chance to go on patrol with a city police officer! What a week!

Through a series of events our last meetings in June were rearranged, saving us over 2,000 miles of driving! While in Virginia, we went to see the historic Yorktown battlefield, which helped us appreciate being Americans and living in a free, God-blessed land. Our final meeting in June was in Indianapolis on our way back to Minnesota to celebrate the 4<sup>th</sup> of July.

We have just purchased our plane tickets to make a survey trip to Estonia this August. This will be our first time actually being in Estonia, and we are thrilled! Pray that God would open our eyes to the possibilities of ministry there, and pray that He would break our hearts for the dear Estonian and Russian people. Also remember in prayer our team partners, the Bunnells, who will be arriving there permanently in August.
