Dear Praying Friends,

In early 1992, Estonia was a ruined, ex-Soviet nation, but through a series of radical economic reforms, Estonia soon achieved one of the fastest growing economies in Europe. Indeed, Estonians are more prosperous than ever before, even approaching the living standards of Western Europe. Sadly, however, most Estonians are still spiritually bankrupt. Who will tell them of the heavenly riches?

RoseLynn is walking now and bringing joy to many a heart. She gained several new admirers in North Carolina, Virginia, Pennsylvania, Indiana, Michigan, and Maryland (three regular meetings and eight conferences!). Being 15 months old, she is somewhere between cute baby and sweet little girl. Of course, her walking also brings many new challenges for RoseLynn's parents! Have you ever tried to raise a child on the deputation road? By God's grace we will!

Team Meeting: The Eurasia Outreach team met in Phoenix, Arizona, on April 14. Andrew Bunnell reported that the new church planted in Estonia is doing well. This church will help us to establish a presence on neutral ground between Estonians and Russians with English language services. English is attracting many Estonians and others who have English as a second language. Bob Gilley plans to finish raising additional support soon and to join the Bunnells in Estonia this August. Bob will play a major role in our Muslim outreach ministries. We also discussed some of the challenges of a team ministry. We are convinced that God wants to do something great in Estonia through the Eurasia Outreach team!

Language School: Praise God! Through your generous giving, God has supplied more than the \$10,000 that was needed. This amount will cover all the tuition costs as well as most of our living expenses! Thank you for helping us meet this need! Pray that God would help us to make the right decision on housing this summer and that the eight weeks of intense Estonian study would be beneficial in our understanding and speaking of the language.

By God's grace, we have only six more months of deputation. We plan to join the Eurasia Outreach team in Estonia this January. We are depending upon your prayers and support to help us stimulate a dead spiritual economy in Estonia into a nation rich in Christ!
