PLANTING CHURCHES IN NEW ZEALAND

March 5, 2021

Pastor,

Hello from north Georgia! It's hard to believe that we are almost a quarter of the way through the year. We have been off to a very busy start to 2021, which has come along with many blessings. We hope this ministry update will be an encouragement to you.

When the new year began we were very excited for what felt like a "fresh start." With all that went on in 2020 we were just ready to get going in a new year. We have been in many conferences and have seen over ten churches take us on since the holidays! This has caused our support level to go to almost fifty percent! When we started out on deputation last July we couldn't have imagined the blessings and provision the Lord would give.

We were in a conference in January and had the opportunity to preach in the Christian school at that church. While there, we were so blessed and encouraged at the love that was shown by the church and students of the school. We have many stories like that of the kindness that has been shown to us. We feel that we have made life-long friends across many states. We also have enjoyed being able to be involved in many different aspects of ministry while visiting churches. We have been involved in anything from outreach, children's ministries, schools, and even pre-schools. God has been so good to us. We count it a privilege and joy to serve Him in this capacity.

As we close we wanted to give an update on my (Greg's) grandfather. His physical condition is getting worse, and is still in need of salvation. Thank you so much for praying for him. We are praying that God breaks down that wall he has up toward the gospel. We want to also say thank you for your financial support. We are truly humbled at your faithfulness, and are honored to partner with you in reaching souls for New Zealand.
