PLANTING CHURCHES IN **NEW ZEALAND**

May 2025

Hello Friends,

Sitting down to write this update. It's hard to believe that we are nearly half way through the second quarter of the year. We hope that you have had a wonderful beginning to 2025 and are looking forward to the months ahead.

The morning of March 28th came and before we knew it we were in a long customs line at the Los Angeles International Airport. When we cleared the line and got to baggage claim, it became evident that some bags we had put on the plane in New Zealand were not coming down the belt. Two hours later, and a lost bag claim "filed" we were in the rental van on our way to Bekah's parents house in Las Vegas. The memories of LA traffic came roaring back as what was supposed to be about four hour trip turned into seven; but thankfully we arrived safe and sound to a soft bed.

During the month of April, we visited Nevada, Oregon, Texas, Arizona, and Utah visiting different churches and updating the work that God has been doing in New Zealand. The schedule has been busy, but it has been so good to see many of you again and meet many new folks. It has been a bit "different" visiting churches on furlough. While on deputation, there was an unknown aspect as we told people where we were going. Now we are talking about our home. We are looking forward to seeing many of you the rest of the summer here in America.

Back in New Zealand, God gave Community Baptist Church a wonderful Easter service with one hundred people in attendance, fifteen first-time visitors, and one person saved! We rejoiced as did Heaven when we heard the news and miss our New Zealand family so much. The Lord has also closed some opportunities for a new building. We are looking forward to what God has in store for CBC in the days ahead. He knows what's best!

As we close, we ask that you would pray for us as we travel over the next several months here in the USA; but also as we prepare for the move to Gisborne when we return. There are still a lot of unknowns, but we also know God has everything already figured out. Thank you for both your prayers and financial support. We continually thank God for you!

We also have different phone numbers while on furlough if you need to contact us.
