BRETT AND JENNY—BRINGING HOPE TO NEW ZEALAND

July 2019

Greetings Dear Friends and Faithful Supporters in the name of our Precious Lord and Savior Jesus Christ!

I hope to be an encouragement to you as the Lord has encouraged me since we last wrote. We're excited to report our support has increased a with several new supporting partners. We are so thankful and grateful for all our supporting churches, but I must emphasize the great need for your prayers. We could have every church support us but without prayer, it is nothing. Hudson Taylor, DL Moody and George Muller placed such a priority on prayer and understood its power. Hudson Taylor said "...to move man, by God, through prayer alone." Such a man of prayer and faith he was, and that statement has struck me many times as I bring our petitions before the Lord.

I am constantly reminded through Scripture over and over that Missions is God's heartbeat. King David knew that the whole world needed to know about God. He declared that the whole world needed to know and that it is our responsibility to do just that in *I Chronicles 16:24* "Declare his glory among the heathen; His marvellous works among all nations." and *Psalms 96:3* "Declare his glory among the heathen, His wonders among all people." These passages were written hundreds of years before Christ gave the Great Commission to the church. Yet even then it was in the heart of David the King to proclaim God throughout the world.

We started June by completing our year 2 requirements at BIMi. This week was filled with learning, preaching and praising the Lord. What a joy to be among like-minded servants of Jesus Christ. We were able to reconnect with old friends and make new friends also. We praise the Lord for two new families whom God has called to go to New Zealand! While we won't be working with them side by side physically, we will be working with them side by side in the work that God has called us to respectively. Praise the Lord with us for these two new families.

We were blessed to present our burden for New Zealand to a church in Mississippi and had the privilege to help with their VBS for a couple of days. We taught the children a couple of Bible verses and one of them was in the form of a song. What a delight to see the children respond to memorizing God's word.

We met a lady at a bookstore in Tennessee and learned that her and Jenny share the same day for their birthdays. She puts puzzles together and sells them as a way to make a living. We shared some time with her and more importantly the gospel. We don't know yet what she will do with it, but we do know that God's promises are true that His Word will not return void. Please pray for Kristie.

We covet your continual prayers as we travel that God would continue to meet our needs and keep His hand of protection upon us.

Your Servants of Jesus Christ,
Brett & Jenny Hoffman
