Greetings dear friends and faithful supporters! What an amazing God we serve. Just a few months ago – November to be exact, we were at 36% of our support and today, we hit 49%! God is so good. We are so grateful for how the Lord has blessed us so far in 2020! January was full of many blessings as God provided for us in unexpected ways. We gained three new supporting church in the first two weeks of January!

January began with us in Wisconsin after my grandmother passed away. It was a time of sadness and we are grateful that the Lord allowed us the time in our schedule to be able to go and be with family during that difficult time.

We were able to be in Wyoming again where we were blessed to be in several churches from Gillette, Afton, Casper, Douglas and Guernsey. The Lord gave us such a sweet time of fellowship with these churches. We were truly overwhelmed with the outpouring of love. We now have 2 more supporting churches in Wyoming and we certainly are thankful for the Lord’s blessings.

Our first missions conference on the year was in Gardendale, Alabama. We had a couple of meetings in Alabama, Tennessee and then finished up the month of February in South Florida with a missions conference in Homosassa, Florida. We are grateful for our time with this church that provided us with much encouragement and has such a great love of missions. We met Mike & Nancy Ring, veteran missionaries to Brazil. We enjoyed being able to sit and talk and listen to the many ways God is working through their ministry in Brazil. They have been able to start 8 churches in 30 years. Our sending church has faithfully supported them for 20 years. It was a blessing to meet up with them and gain insight into missions. We closed out the month of February

with four new supporting churches! This brings our current support level to 49%!

“God’s work done in God’s way will never lack God’s supply.” ~ Hudson Taylor~

We are always excited when we find out fellow missionary friends are close enough that we can get together for lunch and spend some time fellowshiping before we head our separate ways. We were able to do just that and while it was a short visit we came away encouraged.

March and April has us in 8 mission conferences which we always appreciate because it gives us opportunity to see the Lord work in the lives of the people, allows us to connect with them on a deeper level, and we are able to fellowship with other missionaries and see the burden they have for the people to whom God has called them to minister.

Thank you for the gifts that have been sent in for our New Zealand trip! We are so grateful and thankful for your generosity. If you would like to give towards this trip, you may send funds to our missions board, **BIMI**, or our sending church **West Florida Baptist Church**. Please earmark any funds as “**New Zealand Trip 2020**” and include our **Missionary ID # 1603**.

We look forward to continuing to see what God is going to do the rest of this year and see how He is going to work. And we are excited that we get to share it with you! Thank you for your support and your continued prayers!

We love you all!
