Dear Fellowlaborers,

We pray that the Lord's blessings have been upon you in these past couple of months. As many of you are heading into the time of the year for camps, vacation Bible schools, and other outreach ministries, we are praying that the Lord uses those opportunities to save many lost souls and challenge believers to grow in their walk with Him.

Candidate School

During the first week of June, we attended our second year of training at BIMl headquarters. It was also a wonderful time of fellowship with other missionaries.

Australia Deputation

We praise the Lord for a smooth trip to Australia. During these first two weeks, we have had the opportunity to present our ministry in five Australian churches. Breanna also had the opportunity to speak at a ladies' event at New Beginnings Baptist Church, her home church in Australia. Between meetings, we have been able to spend time with Breanna's brother Josiah and his wife Courtney.

Camp Involvement

In addition to traveling to churches to present our ministry, we have been able to assist Breanna's parents in preparing for their week of youth camp. We have learned much valuable information about planning and leading a camp, and we are looking forward to being a part of the camp this year. Please pray for the young people who will be attending from June 30 to July 4.

Prayer Requests

1. Please pray earnestly for the people of the United Kingdom who do not know Christ as Savior.
2. Please pray for us as we continue our deputation in Australia through the end of July.
3. Please pray that the Lord would open doors for us as we continue to fill our calendar for the end of the year and into 2026.
