Dear Fellow Laborers,

The purpose of this letter is to recommend **Alan and Sabrina Davis** for missionary support. This couple lives and ministers in one of the most difficult fields in the world, New York City. And, they are also located in one of the most dangerous boroughs of New York, the Bronx. One should also take into consideration that New York City costs over twice as much as the average U.S. city. They certainly are unable to fund the work on their own.

The Davises are seasoned missionaries and have been in the Bronx since 1981. During their time in the inner city, they have seen some fruit. They have a very good DVD presentation that clearly shows some of the people that have gotten saved as a result of their labors. God has given them some souls for their work.

Even though they have been in the Bronx for over 30 years, their church planting efforts have still fallen short of a church facility. Thus far, they have met in a home, a garage, a pool hall, a catering hall, a funeral home, and a converted bar. It's been a difficult task up to this point. Although they have a clear plan for a church building in the future, the costs in New York City are staggering. This does not mean God cannot overcome those obstacles. All things are possible with God! Please prayerfully consider having this family in your church for the purpose of presenting their inner city work to your congregation.

In His Service,

Dear Brother Davis:

Your prayer letter comes to my desk from time to time. I am writing to let you know that I am praying for you and your family. May God continue to use you in getting the Gospel to the people of New York City! I thank the Lord that you and the wife and children are all working at the same project. I do pray that God's richest blessings might ever be on you.

Sincerely,

## Statement of Faith

**The Inspiration of the Bible** - We believe the Bible to be the verbally inspired Word of God.

**The Person of God** - We believe God is supreme in His Person, eternal in His being, absolute in His attributes, and glorious in His perfection. We believe in the Trinity.

**The Person of Jesus Christ** - We believe in the virgin birth of Christ, His deity and sinless life, His vicarious death, His bodily resurrection and ascension, and in His personal, pre-millennial return.

**The Person of the Holy Spirit** - We believe in the Comforter, His deity and personality. He convicts and draws men to salvation, then indwells those who put their trust in Christ, empowering them for service.

**The Fall of Man** - We believe that man was created in the image of God, and by choice fell into sin and death. Hence, every person is sinful and under condemnation to eternal judgment.

**The Salvation of Sinners** - We believe that salvation comes only through grace given by Christ's finished death, burial, and resurrection. We believe that the blessings of salvation are made free by the Gospel and that nothing prevents the salvation of the greatest sinner but his own inherent depravity and voluntary rejection of the Gospel.

**The Security of the Believer** - We believe that those who receive Christ as their Savior are eternally secure in Him.

**The Doctrine of the Church** - We believe that the visible church is a congregation of baptized believers, practicing New Testament principles, believing its doctrines, observing its ordinances and exercising its autonomy.

**The Doctrine of Heaven and Hell** - We believe in the eternal blessedness of the saved in Heaven and the eternal punishment of the lost in Hell.

# Our Testimonies

## Alan

I was born in Abingdon, Virginia, and was born-again on April 16, 1970, in a local Baptist church at the age of 13 in Kingsport, Tennessee. After finishing a Baptist college in Virginia, I left to teach school in Manhattan. God called

me to preach on April 15, 1983, and was called to missionary work in October. It is a blessing and privilege to serve God.

## Sabrina

I was born in Columbia, Pennsylvania. After hearing the Gospel message at a revival camp meeting in June of 1968, I trusted in Christ as my personal Savior at the age of 10. I went to a Baptist

college, majoring in Missions. When I graduated in 1980, I began working in a preschool in a church in Manhattan. Alan and I were married in December of 1981, and two years later moved to the Bronx.

Dear Pastor and Friends,

It is a blessing to recommend the ministry of Alan and Sabrina Davis who are missionaries to the Bronx in New York City. They have been faithful servants of God for many years in a place where millions of souls need to be reached. Their dedication and sacrifice to an inner city ministry has resulted in many coming to know the Lord Jesus Christ.

Recently, our Personnel Committee at Baptist International Missions met with Brother and Mrs. Davis. It was in that meeting that they gave us an update on their ministry as well as the vision God has given them for future ministry there in the Bronx. We were impressed with their report and with their determination to trust the Living God for the future. As a mission agency we have encouraged them to raise the funds that it will take to secure a permanent building for their church in New York City.

They need your prayers for the task ahead. It will not be easy raising the necessary funds they will need to purchase a building to house their ministry. Alan and Sabrina are going to step out by faith like they have done so many times before and attempt to raise funds to house their church. Would you prayerfully consider assisting them with this project? No gift is too small. They need your financial help but they also need the prayers of God's people to see this project accomplished.

Thank you for standing with Alan and Sabrina at this strategic time in their ministry.

Sincerely,

Bob Larson
