PLANTING CHURCHES IN NEW ZEALAND

April 6, 2020

Pastor,

I pray that this letter finds you well. It is evident that we find ourselves in truly unprecedented times. I'm sure you have been forced to be very creative in the last few weeks as different states have been put under different restrictions and guidelines. God has been teaching us a lot through this time and has shown me many ways to adapt.

The deputation trail took us to Ohio, Illinois, and Tennessee since our last update. God allowed us to see another church take us on for financial support which was encouraging. God knew what was coming long before we did. We have seen all of our meetings cancelled until the end of May. That has been unfortunate, but has also opened up doors of opportunity. One church reached out to us because of a cancellation which allowed us to attend their missions month. We have seen God grow us in many ways through the COVID-19 pandemic. Bekah and I have been able to "re-calibrate" and spend time together unlike we would have otherwise. The meetings that we have been in has allowed us to open up with people who otherwise wouldn't have been attending church.

As I close, I wanted to take some time to let you know that I'm praying for you and your ministry. I know these are challenging and different times of ministry, but I'm resting in the fact that our obstacles are God's opportunities. I believe that God has allowed this to happen to draw people to Himself. Thank you for all that you do not only for our family, but for the families you minister to on a daily basis.

Never Quit,

The Freyers
