## PLANTING CHURCHES IN NEW ZEALAND

April 1, 2022

Hello Friends,

We hope that this letter finds you well as we move out of the first quarter of the year. Since we last wrote, life has changed a lot for our family: but we are thankful for all that God has done. We hope that you enjoy this "life" update more than a ministry update.

As many of you know, Bekah entered her final month of pregnancy last month and the anticipation was felt all across our family. Right around the middle of January, Bekah stopped traveling with me on deputation due to her "high risk" pregnancy. That was definitely a different time for us as we went from being together all the time to not at all.

As I finished up the final weeks on the road before the baby, we saw God bless tremendously. I had the chance to be in many churches in FL, GA, and AL. We have been so encouraged by the spirit of churches that we have been in. The heart for missions is strong across this nation.

Upon arriving home in March, we began to prepare for the new arrival. Kade Gregory Freyer decided to make his arrival in the morning of March 11th. Bekah did an incredible job and baby is doing great. She is recovering now, but is doing well.

In closing, I will be finishing up the final meetings of deputation over the next few weeks in WA, AZ, and CA. We ask that you pray for the visa application process to go smoothly as we begin taking the steps to get to New Zealand. We thank you so much for your support both prayerfully and financially.

Never Quit.  
The Freyer Family
