## PLANTING CHURCHES IN NEW ZEALAND

August 5, 2020

Pastor,

Wow! Where to begin? As I sit here writing this letter, the summer is coming to a close and the world seems to be going in a direction that I never saw coming. Since our last letter, we have launched out on full-time deputation. When we left on July 1 from Ohio to Washington, we made it all the way to our first stop only to have every meeting but one cancel due to Covid-19. We began to wonder if we should turn back home and wait out the effects of this virus. But after prayer, and making a few phone calls, God truly began to do a marvelous work.

A pastor decided to have us in on short notice and allowed us to stay in their missions house. After being there for four days, they decided to take us on for support. While visiting that church, another pastor was on vacation and attended the morning service. After I preached, he came up to me and scheduled us to be a part of their missions month for next year. It's been neat to see God orchestrate many instances like this.

Nola has done very well with traveling and is now sleeping 11-12 hours each night. She has been such a blessing to us. We are truly humbled at God's goodness in our lives as we have begun to schedule for 2021. We've also seen our financial support increase this month. We are praying for you and looking forward to what God will do in these upcoming months.

Never Quit,

Greg, Bekah & Nola Freyer
