PLANTING CHURCHES IN NEW ZEALAND

June 7, 2022

Hello Friends,

It's hard to believe that in a few weeks we will begin the second half of 2022. I know for many of you the first half of the year has been full of both blessings and challenges. We hope you enjoy our newest ministry update.

About a month ago, we (and the world) received news that New Zealand was moving up their border opening by two months! What this means for us is that we can apply for our visa in July, instead of the original timeframe of October. With that being said, we have begun taking the steps to get what we need (physicals, background checks, work history, etc.) for the visa application. Right now we are currently waiting on the government to approve Kade's passport. Our plan is to begin the visa application once that gets approved and sent back to us.

We will be wrapping up our final few meetings of deputation and will begin to sell our belongings in order to prepare for the big move. We are excited for what God is going to do, but also understand the challenges ahead.

Since we last updated, Kade is growing like a weed! He recently had a procedure done on his mouth to help with nursing a few weeks back. It has been a challenge, but he seems to be doing a little better now. Nola is "adjusting" to being a big sister. She's been learning a lot of lesson on jealousy to say the least :)

As we close, we just wanted to say thank you for your support both financially and prayerfully over these past months. Whether you just started or have been since the beginning of deputation, we couldn't have/do all of this without you. We are looking forward to what God will do in these coming months!

Never Quit.
