BRETT AND JENNY—BRINGING HOPE TO NEW ZEALAND

January 2019

Greetings Dear Friends and Family and Faithful Supporters,

We finished 2018 with 30 meetings in four months and roughly 14,000 miles on our Mission Van. We saw God bless us in ways that we cannot explain other than that it was His hand working on our behalf. We met pastors and churches who were a blessing to us. We could not have asked for a better group of churches to be with than those we were in.

In December we were able to spend time with our families for Christmas and get our house completely cleared out. We were blessed to be able to present to several churches during the time we were with family. We were also able to participate in a college outreach night, nursing home services and Christmas outreach programs.

Although we enjoyed our time at home, we were very excited to be back on the road and presenting in Illinois for the first service of 2019! We have a very full January schedule, and we look forward to seeing how the Lord will work! We have been working diligently to see our schedule fill up for 2019, and so far we have 25 meetings spread out over nearly the entire year, including four Missions Conferences.

God still amazes us with His provision time and time again and we have no choice but to thank Him and praise Him and give Him the glory and honor. We praise the Lord that He has given us two new churches to partner with us to reach New Zealand for Him!

Please continue to pray for the Lord to fill up our schedule for 2019, and for the Lord to use us to be a blessing to those around us. One of our prayers for this year is that God would daily place someone in our path who is unsaved and needs to hear the Gospel. Please pray that we will be diligent in finding the one that God has for us to reach each day.

In Christ,  
Brett & Jenny Hoffman
