Greetings dear friends and faithful supporters!

Over the past few months, we’ve been hearing the phrase, “...this time of uncertainty.” I must say, if your life is hid with Christ, then you live in a time of great certainty. Hudson Taylor said: “God isn’t looking for people of great faith, but for individuals ready to follow Him.” Admittedly, I have wanted to have the faith of Hudson Taylor, DL Moody and George Muller, but Jesus said if we have the faith of a grain of mustard seed that is all He asks and from there our faith can grow. We have faith that what God has started He will finish as He has promised us in His Word that He will.

We started off March with mission conferences in Mississippi, Georgia and Alabama. What a great time of encouragement it was to be with these pastors and churches and share our burden for New Zealand. It is always a blessing in the conferences as we see God move on the hearts of young people regarding giving their lives to missions. A highlight of the month was getting to meet Mrs. Rasquinha, the wife of the late Harry Rasquinha who has been faithfully supported these many years. What a blessing to have been able to fellowship with her and see her heart for the continued ministry where God has called her.

In the latter half of the month, Brett flew to Rocky Mountain Baptist Church in Kalispell, Montana, for a mission conference. Kalispell is near Glacier National Park and there was quite a bit of snow on the mountains when he arrived. We had a wonderful time of fellowship and God blessed us with that church as a partner in the ministry where God has called us. That church brings us to 52% of our support.

Due to the pandemic, we’ve had nine churches cancel or reschedule meetings with us, which included five mission conferences. Yet God has continued to supply our every need. We thank those who have sent love offerings to us during this time.

We have continued to receive funds for our trip to New Zealand and for that we are grateful. Would you pray with us that God will open the borders to New Zealand so that we may be able to go in July? While we’ve been “grounded,” we have enjoyed being able to join in the church services with Victory Baptist Church in New Zealand via Zoom.

We are looking forward to the COVID-19 restrictions being lifted so that we may continue the work where God has called us and we are eager to begin travelling again.

We love you all! Thank you for your faithful support and prayers!
