“For I could wish that myself were accursed from Christ

March 2023

Dear Pastor and Church, Supporters and Friends,

Some good things are happening here in our corner of the world. We have seen **179** saved in the ministries of the church with **7** baptized from January through February. Our church ministries include several things. The bus ministry is the biggest. Each week my family and I along with about 25 others go visiting on the bus routes. We have four of them. This is one mission field where the bus ministry still works. It is not an easy ministry, but by far, it is the most fruitful ministry we have. I train our future pastors, Sunday school teachers, and other bus workers in the bus ministry.

We are also in two public schools where we hold weekly Bible clubs. We have a Bible club in a government facility for abused children and women. Possibly another facility will be open soon to us. There is the Spanish Boat Ministry where we witness to fishing trawler fishermen from Venezuela. Many of these men have received Christ as their Savior. There are other ministries we can get into, but we do not have enough workers.

This year we have made a concerted effort to disciple people. We started the three levels of Foundations of the Faith discipleship program. This is going well with about 18 who are coming to the classes. There is a Saturday Teen Soul Winning and Discipleship. The number ranges from 15 to 20 teens who show up on Saturdays. Last, but not least, we have an online Bible college. Seven students are enrolled. All this helps to train, disciple, and build strong soldiers for Christ. This is spiritual warfare and the fighting is fast, furious, fiery and deadly. Ask how many casualties we have seen along the way. You don't want to know; too many. We are in it to win it, and the Word of the Lord said something about, “*Greater is he that is in you...*” I think we are winning because the Great Shepherd of the sheep is the Captain. He is the only Shepherd that was slain for our sins, but now He stands on the other side of the grave, victorious over it (Rev. 7:17). He is the only Shepherd who can shepherd you through death or anything else that comes your way.

Please continue to pray for us. We thank you for staying the course in praying and keeping diligent vigilance over the battle here. We need more troops. Send them in, or come yourself and join us. What would we do without you? Only God knows, but it wouldn't be much. May the God of our faith bless you abundantly.
